About NEA's Read Across America

The National Education Association (NEA) is building a nation of readers through its signature program: NEA's Read Across America. Now in its 21st year, this year-round program focuses on motivating children and teens to read through events, partnerships and reading resources in addition to celebrating Dr. Seuss' birthday on Wednesday, March 2, 2022.

March is National Reading Month

In honor of Dr. Seuss' birthday, March is National Reading Month dedicated to encouraging Americans of all ages to read every day. It is a key component of education and professional development that has immediate and long-lasting health benefits including increased cognitive function, memory, vocabulary, empathy, and decreased levels of stress. Reading is fun!

"The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you'll go."
-Dr. Seuss
